To the Nobility of Medinah Temple:

The Officers of Medinah Temple are particularly interested in everything done by the Temple, and are making every effort to do things that will interest every Noble.

Activity begets interest and more interest and that is why we are doing so many things this year.

You were promised a Ceremonial in April and we are going to have one—and you were promised other events and we are going to have them—look over this list:

Ceremonial—Friday, April 24, 1936
Broadcast—7 days—May 3rd, to May 9th, incl. 1936
Oriental Band Concert—Sunday, May 10, 1936
May Ceremonial—Friday, May 22, 1936

These many activities are all for the good of Medinah and her Nobility—They can only be successful through your co-operation and surely you want to co-operate at least to the extent of participation, if only as part of the audience.

Come, participate in every one of these events and enjoy to the utmost the spirit and friendship and fraternity which has always prevailed in Medinah Temple.

Get the habit and come to the Temple regularly.

Read every notice sent you and save the dates.

Yours in the faith,

Carl A. Miller

Potentate.

THE RECORDER SAYS:

Nobles:

You have already noticed that there will be a Ceremonial **Friday, April 24, 1936.**

Now, Noble, when did you visit Medinah last? Why not set this date above all others, call up a Shriner friend and make this a big night at Medinah, see what is going on and really be a young fellow again. We all grow old too fast, anyway.

"Skinny, Come'n Over"

Remember, a Ceremonial without candidates is like a banquet without guests.

Have you signed your Candidate?

Reinstatements

There is still time to get your friend reinstated to good standing in the Temple for the bargain price of **$17.00.** Don't overlook this opportunity.

Circus -- And, of course, this means children. Something new, something different.

Medinah is entertaining the children. This means CHILDREN, not grown-ups. Small tots, yes, must have someone with them but every grown-up keeps some little one out. If your child is big enough to go alone or with some older child—**you, papa, or you mamma, please don't come** — let's make a big day for the little ones.

Remember, circus this year at Medinah Temple. Time — Saturday Morning, May 2, 1936.

To the Nobility of Medinah Temple:

Last month I told you that the Imperial Council of the Shrine were allowing us $53,000 to run the Chicago Unit for a year. At a meeting recently held they decided to cut that figure to $49,850.00, and the Chicago Unit cannot be operated for anything like that figure. With the advance price of foodstuffs and everything we use in the operation of the hospital the commitment from the Imperial Council leaves us short in our money requirements approximately $1,000 per month, which it is up to us to raise regularly. We sincerely hope that every member of Medinah Temple and every member of every Temple near Chicago who send us our patients will lend himself to helping us.

Last month we started a newspaper saving campaign, and we are anxious to increase our paper collections to thirty or forty tons per day. We can do it if you will help us. Telephone the hospital office—MERRIMAC 9170—leave the order to pick up your papers or magazines tied in bundles. We will send a truck for them. These papers and magazines are shredded and baled and sold for packing material. We have been netting $3.00 a ton for the hospital on every ton you sent in during the past month. If you live in a suburban town, arrange to establish a center where everybody in the town can deliver their papers. We will arrange with the local newspapers to publicize the location, if you will notify us of the neighborhood center. A little team work and our job can easily be accomplished.

Sincerely yours,

Will H. Wade
Chairman, Board of Governors

Chicago Unit, Shriners' Hospitals
for Crippled Children.

TO THE NOBLES OF MEDINAH TEMPLE:

It has been customary for years for Medinah Temple to attend the Imperial Council Sessions with all of her organized units and a goodly number of the Nobles and ladies of Medinah. These affairs, have in all instances, been most enjoyable and beneficial to the Temple.

It is proposed to make up a Caravan this year to attend the Session at Seattle, Washington, in July. Plans are being made whereby sufficient funds will be raised to take our Organized Units and we sincerely hope that this objective will be met, but in addition, there will be many of our Nobles, who with members of their families, will enjoy taking this trip with us—they always have — making a splendid vacation trip.

This letter is directed particularly to the members of the Nobility so that they will know the time and the itinerary that is proposed, and I would particularly like to hear at an early date from any who are interested, as this will help in facilitating the making of the plans for the trip.

Yours in the faith,
Carl A. Miller, Potentate
